

## 8<sup>th</sup> Continent Chamber of Commerce

### **Founding Membership – a special opportunity**

The 8<sup>th</sup> Continent Chamber of Commerce accelerates the emergence of the space commerce industry, plays a vital role in defining and supporting the companies of the future and connects you with the right people to make your business soar.

Joining the 8<sup>th</sup> Continent Chamber as a Founding Member gives you a venue to network with pioneers and thought leaders and take an active role in the burgeoning Space 2.0 economy.

The Chamber provides members with visibility, quality contacts, corporate credibility and is the best opportunity for technologists, entrepreneurs, investors and professional services providers to connect.

Additional Founding Membership benefits include:

- Reduced-Fee Services Program: Receive reduced rates, “labor capital” resources and mentoring to small businesses and start-ups.
- Membership Directory: Be listed in, and access, the exclusive 8<sup>th</sup> Continent membership directory.
- Electronic Newsletter: Track industry trends and latest developments including Public Affairs Briefings.
- Annual State of the Industry Summit: Attend and participate in this seminal Space 2.0 event, featuring speakers and panel discussions about the latest trends and developments in the entrepreneurial aerospace and related industries.
- 8<sup>th</sup> Continent Blog and Blog Postings: Dialog in the 8<sup>th</sup> Continent Blog and posts by 8<sup>th</sup> Continent in other key blogs, building the reputation and reach of your organization.
- Space, Business, Cocktails: Network at regularly scheduled regional get-togethers – open to *all* of your employees. Make contacts, exchange ideas and meet with other 8<sup>th</sup> Continent Chamber members. Also, receive invitations to special receptions, launch parties, guest speakers and unique programs.
- Future Benefits for Founding Members: The 8<sup>th</sup> Continent Chamber will roll out two additional membership levels in 2009. For an additional year, Founding Members will have access to these increased benefits at current dues levels, representing a \$5,000 value.
